Colorquartz[®] is the world's leading producer of quartz surfaces designed for high-quality applications worldwide.

ADVANTAGES

01 NATURAL

Quartz is a naturally occurring material from all corners of the world.

02 STYLISH AND CLASSIC

We offer a broad array of beautiful and versatile colors.

03 ROCK-SOLID

Colorquartz surfaces are strong and durable, perfectly made to resist breakage and to provide endurance against stain and scratch.

04 CREATIVE PATTERNS

Colorquartz offers a lineup of surfaces filled with fascinating patterns created from adding recycled material such as glass, mirrors and crystals to marble-like movements and textures achieved by using the latest in quartz technologies.

05 SAFETY AND PEACE OF MIND

Hygiene is one of the most important characteristics of Colorquartz.

06 EMPHASIS IN PERFECTION

Engineered with advanced technology, our surfaces are compressed and compacted under intense vibration and heat pressure to create a hard, non-porous surface.
