

Unidrain

LINEAR DRAIN SYSTEM

15 YEARS

Designed in Denmark
Made in Germany

THE ORIGINAL
THE WORLD'S FIRST LINEAR DRAIN

EXCLUSIVELY DISTRIBUTED BY:

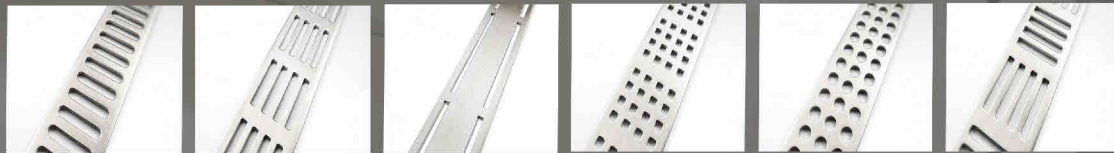

LINEAR DRAIN

Unidrain's linear floor drain can be positioned either by the wall or as a free-standing solution. Whichever solution you choose, the floor drain is fitted with Unidrain's patented flanges, to make it 100% waterproof.

ClassicLine

Original design series from Unidrain and consists of a frame and a grating.
